Dear Brian

I wanted to write to acknowledge the excellent exam results achieved by your students this year, it shows a continuous improvement in attainment. I am sure all the staff are pleased with these results and I know the management team recognised the hard work that the teaching staff put into such results.

On behalf of the Trust Governors, I would wish to say well done and I know under your leadership the school will be seeking to continue to strive for high achievement for all pupils.

If you could also pass on this message to your staff team, it would be appreciated.

I look forward to continuing to work with you on the Governing body in the next year.

Yours sincerely

Paul Wilcox
