Dear Parent/Carer

RE: SCHOOL UNIFORM

I have noticed a gradual deterioration in relation to some students' school uniform of late.

Despite our efforts in school, some students still appear in school with unacceptable items of clothing, i.e. non- school bags, socks, shoes, jumpers etc. All students have been informed that with effect from 1st November 2010, all items of clothing that are not part of our school uniform will be confiscated. In addition, 60 debits will be given to the student which will lead to a one hour detention after school. Repeated flouting of our uniform code will lead to the students being educated in isolation.

May I ask for your support in this matter and ensure that your child has the appropriate items of uniform. May I also take this opportunity to thank parents and their child if the above does not apply.

Yours sincerely

B Jordan
